SHIPPING INFORMATION OVERVIEW

A \$25 processing charge is added to all International orders

 **USA** Shipping costs and applicable state sales tax to US customers are shown in the table below.

USA Alaska & Hawaii customers follow international ordering procedure for the High Output Freedom 500 until Jan 21, 2011; no Yak Snot glue will be shipped via international method. After Jan 21, 2011 the High Output Freedom 500 will be shipped via UPS air.

 **CANADA** Your package will be shipped insured and will have some COD charges when you pick up your order at your post office, estimated shipping charges are shown in the tables. **Yak Snot glue cannot be shipped to Canada at this time**, you will need to purchase locally one of the following: 3M's 4693 Scotch Grip, Weldwood's contact cement or West Systems G-Flex epoxy for the High Output Freedom 500 installation.

 **UK** Your package will be shipped insured. Duty and VAT are estimates only, final amounts will be charged when you pick up your package at the post office. **Yak Snot glue cannot be shipped to the UK at this time**, you will need to purchase locally one of the following: 3M's 4693 Scotch Grip, Weldwood's contact cement or West Systems G-Flex epoxy for the High Output Freedom 500 installation.

 **AUSTRALIA** Your package will be shipped insured. GST and VAT is applied to orders above A\$1,000, final amounts will be charged when you pick up your package at the post office. **Yak Snot glue cannot be shipped to Australia at this time**, you will need to purchase locally one of the following: 3M's 4693 Scotch Grip, Weldwood's contact cement or West Systems G-Flex epoxy for the High Output Freedom 500 installation.

Other Countries - If you are ordering from a country not listed in the tables below, please place an international order request on our site <http://www.bluewaterkayakworks.com/bluewater-kayak-works/international-orders.html> . Upon receiving your request we will prepare an invoice detailing the products and shipping costs. Once you agree to the order by submitting a payment, we will prepare and ship your order. Your package will be shipped insured. Please review local country laws on Duty and Taxes. **Yak Snot glue cannot be shipped by AIR at this time**, you will need to purchase locally one of the following: 3M's 4693 Scotch Grip, Weldwood's contact cement or West Systems G-Flex epoxy for the High Output Freedom 500 installation.

In all cases Bluewater Kayak Works seeks the most cost effective shipping methods for your order; please don't ask us to use other methods unless it is absolutely necessary to deliver at your location. Other fees may apply.

THANK YOU for your interest in Bluewater Kayak Works precision engineered products
